Approval from City Council can take several meetings so future events will need to requested a couple of months ahead of time.

Feedback: Discussed Monthly Social Calendar email to all parishioners or something more. Need a way to reach people and keep social events fresh in their minds. Idea of a St. Therese Facebook page was brought up. That way PALs can send out RSVPs for events and get rough estimates and keep the social events fresh in the mind of those following on Facebook and not bombarding parishioners not interested in the social side.

Sister Eileen's 50th Jubilee
