Do you have someone on your Christmas list for whom it is difficult to buy gifts? Or would you entertain buying gifts that benefit people in need? Would you consider purchasing a gift that ‘pays it forward’. St Therese Alternative Christmas Shopping provides a way to buy gifts for loved ones, which benefits those in need, instead of conventional gifts. When you purchase an alternative gift for a loved one, you may choose to sponsor one of the following: A St. Therese Family (refer to Father’s email), the Food Bank Back Pack Program, or a Sister Liz Remily clinic being built in Guatemala
